“ Claudette,  
I saw your Mom's obit and I had to send my condolences to you. It's been along time since I've seen you but I think of you fondly and I remember your Mom too. You're a testament to all her love and goodness. I will let my brother Richard know about her passing. Be blessed-stay safe.

“ My deepest condolences to the entire family of Mrs. Mae.

JoJo, your Mama touched many hearts over the years and has helped more people than you'll ever know! I'm one of those lost souls that she helped! Without knowing exactly what she did, she led me down a better path in life with a few heartfelt words and one of her famous hugs! I owe her so much for simply being HER. She has always held a very special spot in my heart and she always will. All my love goes to you and the family Brother.
