

## Mr. George Patrick "Pat" Morton

April 11, 1956 - June 23, 2019

George Patrick (Pat) Morton was born to Mary Claire (Sue) Morton and George Harry Morton on April 11, 1956 in Houston Texas. He went to be with the Lord on June 23, 2019 in Houston, Texas at the age of 63. His entire family was by his side as he entered into his eternal home. Pat was the fourth born child of six. Above all else, he loved being surrounded by family. He was preceded in death by his father George Morton, his mother Sue Morton, his brother Gerald Emory Morton, and his nephew Jarryd Austin Morton. He is survived by his two most cherished people in all the world—his son and daughter, Patrick "Lee" Morton and wife Christi of Santa Monica, California and daughter Britney Ann Morton of Pearland, Texas. He is also survived by a granddaughter Teighlor Nichole of Tennessee. Pat is survived by his brothers, Michael David of Pearland and Kevin Thomas and wife Kathy of Friendswood. He is survived by his sisters Peggy Ann and husband Fred of Austin, Karen Sue and husband Robert of Houston, and Elizabeth of Pearland. He had a tremendous love for his nieces and nephews and always had a unique way of making them feel special. Kelli, Jacob, Katarina, Haley, Ragan, Michael, Sarah, Jihyae, Ashley, James, Katlyn, Shia, Brylee, Rylan, Eva, Jaeden, and Londyn will miss their beloved Uncle Pat (or Uncle Fat as he was lovingly called). Pat grew up in Pasadena where he attended St. Pius V Catholic Church and graduated from Sam Rayburn High School. He raised his children in LaPorte, Texas and also had a home on Table Rock Lake in Missouri where he enjoyed fishing, boating, and skiing. He most recently lived in Pearland, Texas. He worked for Halliburton/Brown & Root for two decades and retired while still in his forties. He enjoyed living and made the most of his time. He loved riding his motorcycle, talking to friends and family, fishing, hunting, going to Astros and Texans games, golfing, coaching little league baseball, reading, and doing research. He was an avid story teller who never missed a detail. He will always be remembered for his great stories...especially his short ones ♡. He loved dogs and all dogs loved him. He had an enormous, compassionate, and generous heart. He devoted himself to caring for loved ones as they needed special care toward the end of their lives. Pat was one in a trillion. It is an unbearable goodbye. Special thanks to Pat's team of doctors, nurses, and staff at Houston Hermann Memorial Heart and Vascular Institute and pulmonary Rehab for their heartfelt love and care. Visitation will be at SouthPark Funeral Home in Pearland on

Sunday, June 30 beginning at 5:00, followed by a Rosary at 7:00 p.m. The funeral will be on Monday, July 1 at 10:00 a.m. also at SouthPark Funeral Home. Interment will follow at SouthPark Cemetery. Condolences may be shared with the family at [www.southparkfunerals.com](http://www.southparkfunerals.com) Thank you for your help! Sincerely, Lee Morton

“ I only spent just a few years at GBFY in the late 90's but have always reflected on it as one of the most memorable of my career. Pat was a very intense and dedicated guy; perhaps a workaholic but peaking through his intensity was a guy with a good sense of humor and a pragmatic wisdom that only comes from experience. He was a good leader and worked tirelessly to achieve any project undertaken. I'm proud and privileged to have worked with and learned from Pat and others at GBFY.

“ I shared 10 + years at the GBFY with Pat and looking back now it was very enjoyable for me . Pat and I sat at the computer many hours getting me straight on his vision for a project . Great experience as he was always as eager to learn in the process as me . He and I shared other things , stories , my venison sausage , and once he came blasting into my office with a piece of mountain lion blackstrap for me to try . Turned out it was delicious . He possessed a rare quality with that ready smile . People worked for him not because they had to but because they wanted too. He had a big sense of humor also demonstrated by him being the driving force to give my new bride a wedding gift from everyone 29 years ago . When the gifts were opened there were not one but 14 crock pots all alike . My new bride wanted to know what kind of people I worked with ? I responded with the best I had ever known . I don't know why God summoned him at such an early age . He must have some humongous structure to be built . Pat is the one who can get it done . Unforgettable and I will pray for him and the loved ones he has left behind . I know as usual he had to get in front and pave the way for us all to follow .

“ My condolences to Pat’s family. I had the pleasure of working for Pat at GBFY. He was my mentor and I learned so much from him. We rode our motorcycles together and I actually got him to buy my Honda Goldwing even after he said he would never own a rice burner. If Pat ( Duck Butter), invited you to breakfast it was to tell you a great idea he had and how he expected you to make that idea a reality. What a great leader he was. RIP Pat.

“ Hey Duck this is Stephen & Nita in Winnie Tex. You may have beaten us there for now but we will be looking you up as soon as we get there. Only Duck Butter ( Pat Morton) could bring a group together in joy to share in his beautiful memory. Stephen and I attended the visitation this afternoon. I was so touched with the “Always present LOVE of the Morton family”. The warm hugs and genuine loving feelings shared with his family were so “Pat Morton”. Stephen has many fond memories of deer hunting trips with Duck. Stephen showed Lee how to clean his first deer while daddy watched. Stephen and I made a trip to Missouri with Pat and Debbie on our mortorcycles in freezing weather and we will never forget the fun we had. So many fun times, sad times, and life long memories with Duck will never leave us but will always warm our hearts when we miss him so deeply. From both of us we send our love always to Pat’s children Lee and Britney. We feel that we can speak for Pat’s Brown & Root family from Greens Bayou our love and appreciation for getting to share one of God’s great people.  
Adios and see you later our dear buddy. Stephen and Nita Stephens

“ I worked with Pat off and on since he joined the Company. At first I didn't know his name was Pat. Everyone called him Duck Butter. A few times over the radio it was just Duck.. Pat was an honest hard working man. One had to walk fast if you planned on walking somewhere with him. My wife and I met Pat's wife at Danny Prats office in the 80's. His wife was cordial with a sense of humor. Pat loved her and his family. May God Bless the family during this difficult circumstance.

“ I Had The Honor Of Working With Pat At The Marine Yard, Absolutely Loved Him. His Sense Of Humor, Smile and Laughter Was One Of A Kind. B & R GBFY Has Been The Only Place I Have Worked Where It Was Real Team Work, And Pat Was One Of It's Leaders. He Will Be Missed By Many, Lots Of Great Times And Fun Will Catch Up With You On The Other Side Mr. P. To Pats Family I Send My Condolences On Their Loss And Know God Will Take Care Of Him Forever.

You Will Not Be Forgot, I Wish You Always. Warm Sun to Your Back, Cool Breeze to Your Face, And Calm Seas Always. God's Speed My Friend. RIP

“ It was with heartfelt sorrow that I learned of Pats passing last Monday. Pat and I along with many others worked together at the Greens Bayou Marine Yard for several years. Pat was extremely intelligent and quite knowledgeable in all aspects of marine fabrication including jackets, decks, topsides, modules and subsea delivery systems. He always made me think of the energizer bunny with his boundless energy. As John Karol mentioned in his post I was with Pat when he had his first elk in Colorado. We had a real struggle getting it out and up the hill to the Jeep. But success we had. I later visited Pats home where he proudly showed the elf head on his wall. What a memory. To Pats family I send my condolences on their loss and know God will take care of him forever. Rest In Peace sir.

“ Had the honor of working with Pat at the Marine Yard, absolutely loved him. He gave his everything in all that he did. He had such compassion for the people that worked for him and all those around him. God has gained an awesome man in heaven. Will never forget you and the great times we had and also what you taught me.

“ On behalf of Pat's colleagues at Brown & Root Marine at Greens Bayou we are deeply shocked and saddened to hear on his passing last Monday. We worked together over 20 years and never seen a more passionate, fun, and can do leader. We went on our first hunt in 1997 in Colorado, had a great time and he got his first elk that trip. He will be sorely missed. We will pray for him and his family.

“ Kevin is the member of this special family that I've been closer to thru the years, since he was High School friends of my son, Jimmy, and wife, Karen. I've seen his love for family and grieved with him for the loss of his precious Jarryd. Now my heart hurts with this sad,,sad loss of his beloved brother, Pat. I think of how my children would be so devastated at the loss of one of their siblings and it is unthinkable. My prayers are with the family, that they can find peace and comfort in sweet memories of their times together.  
Much love, sympathy and caring,

“ I grew up with this family on Chestnut St in Pasadena. We were neighbors for at least 15 yrs. We were more than neighbors, we were family. There are several of us child hood neighbors that still keep in touch with each other. The Morton's were the best people ever. Raising wired haired terriers, Sue Morton making red velvet cake and was the best cook ever. Having sleep overs all the time and I went to midnight mass with them many times, which I loved experiencing. Wrapping houses and lots more memories. I am deeply saddened by this loss but I do know Pat is in a much better place. We will all miss him but the memories just go on forever. God Bless this family and watch over them as they say see you later to Pat Morton. Love you all.

“ Our friend and neighbor Pat Morton was always a willing volunteer for projects. The photo shows him working on electrical conduits for the outdoor lights.  
Thank you Pat for making our quality of life a little bit better at Country Place.
