

Mrs. Jeannette Lucille Nivens

April 29, 1945 - July 1, 2019

She was born in love.

She was raised in love.

She married in love.

She gave birth to two daughters in love.

But she was "Mom" to Countless others because of her love.

She never met a Stranger and was always ready with a quick smile, a kiss on the cheek, a prayer if you needed it and always an "I love you!"

She laughed easily and loved with all her heart.

Her philosophy was, "It doesnt matter if there is no building named after me; no monuments erected in my honor. I've had the chance to know and love each and every friend as well as my family. How much more blessed can a person be?"

When the time came for her to go home and be with Jesus and her parents, she was surrounded by family and friends and most definitely LOVE!

Jeanne leaves behind her biological daughters, Traci and Staci Nivens adopted son, Beau Munro and Step Daughter, Angela Glaubitz. Four Grandchildren, her sister Bette Dement and Brother in Law Buddy Dement, Sister Lisa Lejeune, Sister in Law Mary Bean and Brother in Law, Todd Bean. Numerous nieces and nephews, more friends than anyone can ever imagine and her FAVORITE...(yes Traci and I know this) Ladybug (her dog).

Mom would be the first one to say, dont cry because she's gone; instead be happy that she lived! (Or maybe cry a little bit, after all she did pass away)

Just remember today shes up in Heaven, playing dominos or cards having way more fun than we are.

Our Heartfelt Thanks to the Doctors and Nurses at Memorial Hermann Pearland for loving our Mom like she was their own.

In conclusion... it's not goodbye... its till we meet again!

"We'll Love you forever, We'll like you for always, as long as we are living OUR Mother you'll be."

“ Always a mom to all children . From elementary all the way through high school , she was a mom to all my friends. Always made sure not only did she provide for my sister and I, but to all my friends as well when their parents could not. She loved God, her family and her church. You will never be forgotten mom . Enjoy your time with Jesus , you deserve it .

“ She would love with all her heart even you would drive her crazy because you would ride your tricycle around with bra on your head yelling Jeanne Winnie.
