“ To my Dear Sister Jeannie, I will miss you the laughs until tears came to our eyes and our bellies would hurt. I will miss your calls to remind the Masked Singer in coming on tonight. We both love watching ID and would talk about how can there be such meanness in the world. I remember the day you were over my house and we talking about the time we were at you house in East Texas and the party we planned when JL went to work. We both said that was one of the best times we are had together had we would never forget it. I will miss meeting you at C&D Burger for lunch. I could go on and on about the good times we have had. I will always remember the things you have told me in convenience and it will always stay that way. I'm so sorry that you were going through those things and I couldn't do anything about it. I will think of you everyday just as I think of our Mama and Sister Jackie. R.I. p my Sister. I know you are happy now.
Your Sister, Julie

“ I would like to add that both of us loved our country and were and are patriotic. Everytime you would come to my house you loved how I have have my house decked in patriot pictures, flags and figurines. We both didn't like where our country was going. God Bless America

“ Jeannie,

What a wonderful friend you have been to me! Thank you for sharing the lovely pictures you took at sunrise as we walked in the park every morning. Thank you for helping me walk my dogs. They so felt your love and acceptance of them. It is said that God puts everyone here on earth for a reason. Yours was to bring laughter and sunshine into everyone's life. You will be missed. Rest in Peace, my friend.

Prayers to you and your family.

Love you and miss you.

“ To my oldest Sister,

I will miss all the laughs we had together. We laughed until tears came down our face and our cheeks and tummies were hurting. We loved to watch the same shows like ID, Snapped. We also loved to watch The Mask Singer. You never let me forget they were coming on. I will have a hard time watching them now. We love to meet and eat lunch at C&D Burger. I will think of you everyday like I do our Mama and our Sister Jackie. I still can't believe you are gone. Until we meet again in Heaven. I love you so much. It's going to be so hard just knowing that you are not with us anymore. Just like I did with Mama and Jackie, I will mourn for you everyday. R.I.P My sister.

“ Dear Aunt Jeannie,
I want to thank you for always being a "welcomer." No matter the time gone-by, nor the length of time you knew someone, you always were the one to smile so wide, and reach-out to welcome someone; the one to go out of your way to make a person feel a part of the group, and warmly accepted. Thank you for always showing us your heart and smile first, and letting love and caring take care of the rest. Thank you for always welcoming us into your arms, and your life. I wish I had thanked you for these things a long time ago. God bless you and keep you close, always, and in all ways. Thank you for being here with us, and now, for watching over us. You are not forgotten; you are in our hearts, and smiles, and in our arms when we welcome others into our lives. Much love eternally, Aunt Jeannie, Love Connie Brooke
